

Presidential Comfort Station

The Presidential 24 foot Portable Restroom Trailer provides your guests with an upscale restroom solution perfect for any event.

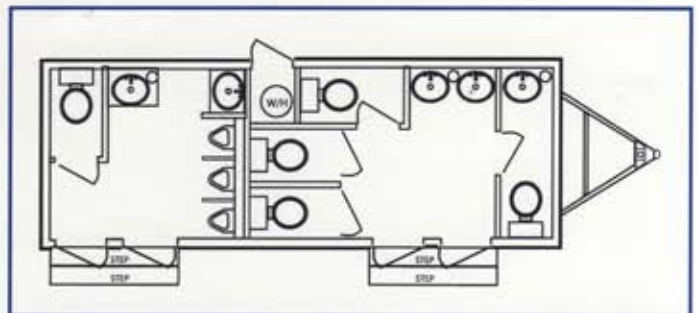

USES: Our 24 foot Presidential Comfort Stations handle approximately 500-2500 person event. (This will vary based on beverages and food served). Our Executive Comfort Stations are available for weddings, golf outings, family reunions, birthdays, cookouts, graduation parties, construction sites, swim parties...

Our Presidential Comfort Stations include 4 private stalls, 3 vanities on the womens side; and 1 private stall, 3 urinals, 2 vanities on the mens side. The strikingly handsome Presidential Comfort Station includes roomy interiors with large double pane skylights, heavy duty vinyl floors, simulated marble wall finish with stained wood trim. This unit has flushing toilets, stereo, AC, and heat. The Presidential Comfort Station will accommodate approximately 500-2500 person event.

EQUIPPED WITH THESE FEATURES: All restrooms are equipped with flushing toilets, and Hand Sanitizer. We also rent water supply and generators for remote locations.

DIMENSIONS: Trailer: 24', Overall: 28', Width: 8.6'
