Dear Les and Karen:

It was truly my pleasure to be in your company today and to see the tiny faces that will benefit from your kind gesture to fund additional security systems at the Pottstown YMCA Early Learning Center. On behalf of the children, staff and families whose lives you have positively impacted, I thank you for this philanthropic gift of \$4,500.00.

The addition of new cameras and a raptor system will mean further comfort and security for those who cross through our doors each day. As a parent, I can tell you that nothing is more important than your child's safety when left in the care of others. Thank you for your kindness and support.

Once the systems have been put in place, Joan will contact you about a tour of the facility.

Again, thank you and may you be blessed today for the many blessings you have brought to others.

For the Y,

Allison B. Stinger
Director of Financial Development

Thank you!
Hope to see you soon.
